

VersaLamp

The VersaLamp 482R-BLB LED lamp provides a unique dual purpose lamp for all types of lighting applications. The lamp provides true white LEDs for all ambient lighting applications and deep ultraviolet LEDs from the same lamp for all types of entertainment environments. Control is by a simple wall switch to easily switch environments. The lamp includes long life LED lamp sources, energy efficiency, simplicity of installation, and maintenance free operation. Perfect for new applications with our Versa line of luminaires or most brands of similar luminaires. Great for retrofit applications when used with our retrofit kit sold separately.

Specifications:

- LEDs: 112-White (W) & 112-Ultraviolet (UV)
- White LEDs Color Temperature: 4000°K
- White LEDs Lumen Output: 2200L
- Ultraviolet LEDs Wavelength: 405nm
- Pattern: 180 Degrees
- Lamp Size: T12
- Lamp Length: 48" Length/1200mm
- Driver: Internal/Line voltage (UL Type B)
- Operating Modes:
 - 1) All LEDS off.
 - 2) White lighting with switch control.
 - 3) Ultraviolet lighting with switch control
- Control:
 - Control: Three pole wall switch
 - Data Connections: Three pin XLR male (input) / female (output)
- Mounting & Power Connection: Twist-in bi-pin (G13) lamp sockets. Power Requirement: Line voltage AC 100-277v 50/60Hz
- Power Consumption: Maximum 16 watts @ 120v with all white or ultraviolet LEDs at full.
- Approximate Lamp Life: 50,000 Hours
- Luminaire Types: LED Luminaires wired for line voltage or for retrofit applications with VersaLamp Retrofit Kit (sold separately).
- Usage: Indoor use only
- Warranty: Two years
- Part Number: VersaLamp 482R-BLB-G5
- Shipping Weight: 1.3 lb.

Does NOT Include: Three pole switch or low voltage control cables.

W-UV

Control

Best Practices:

VersaLamp 482R-BLB is great anywhere requiring white & ultraviolet lighting. Perfect for retrofit & new lamp applications. Replaces inefficient fluorescent lamps & electronic or magnetic ballast generally used in these types of applications.

Applications:

- Themed Environments
- Family Entertainment Centers
- Amusement Parks
- Trampoline Parks
- Live Productions
- Halloween Exhibits
- Bowling Centers
- Skating Facilities
- Night clubs
- Museums
- Theatre
- Retail
